Education

B.E Computer Science And Design

Karpagam College of Engineering, Coimbatore

2021 – 2025

CGPA - 8.5

Higher Secondary Certificate

Sri Jayendra Swamigal Silver Jubilee Matriculation School

05/2020

91.75%

Secondary School Leaving Certificate

Sri Jayendra Swamigal Silver Jubilee Matriculation School

05/2019

93%

Experience

Durga Tech

Front-End Web Developer

03/2023 – 09/2023

Coimbatore

- Worked on creating a personal portfolio using HTML, CSS, and Javascript with the Visual Studio code editor.
- Experienced in web design and UX principles for responsive, user-friendly portfolios

Certifications

Programming in Java, Data Structures and Algorithms using Java

NPTEL | Swayam

07/2023 – 10/2023

- Mastered Java-based implementation of fundamental data structures and algorithms.

Java, Problem solving (Basic), CSS(Basic), SQL(Basic)

HackerRank | Online Platform

01/2024 – 04/2024

- Gained proficiency in essential problem-solving techniques ,SQL, and basic Java programming concepts.

Certification of Completion of JavaScript Training

Spoken Tutorial Project at IIT Bombay | Online Platform

03/2024 – 03/2024

- Covered core JavaScript concepts including variables, functions, and object-oriented programming.

Mastering Data Structures and Algorithms

Udemy | Online Platform

02/2024 – 05/2024

- Equipped to implement and optimize data structures and algorithms for efficient problem-solving.

Projects

Local Storage Deduplication

Data Structures and Algorithms | VS Code

07/2023 – 08/2023

- Efficiently remove duplicate files from local storage using SHA-256 hashes and a database.
- Contributed to frontend development using HTML and CSS, and project construction in Visual Studio Code.
- Reduced storage clutter by detecting and removing duplicate files, enhancing storage efficiency.

Hotel Management System

Java, JDBC | VS Code

01/2024 – 02/2024

- To provide a comprehensive solution for managing hotel operations efficiently.
- Lead Developer responsible for designing and implementing the entire system.
- The project successfully streamlined hotel management tasks, resulting in improved customer service and operational efficiency by automating room bookings, customer check-ins/check-outs, and food ordering processes.

Technical Skills

- | | | |
|---------|--------------|-------------------------------|
| • Java | • C | • HTML |
| • CSS | • JavaScript | • Data Base Management System |
| • Figma | | |

Achievements

Smart India Hackathon

Qualified | level 1

- Contributed as a team member in the Smart India Hackathon, collaborating to develop innovative solutions to medicinal leaf identification.

Soft Skills
